Rhythmlink Branding and Design Recognized in International Competition

COLUMBIA, S.C. - One of the largest and most competitive award programs, the International Academy of the Visual Arts (IAVA) Communicator Awards honors the creative excellence of communications professionals. From thousands of entries across the United States and around the world, Rhythmlink International's entries caught the judge's eyes.

Rhythmlink has received recognition for superior branding and communication for its company logo, business card design and a direct mail piece. Both the business card design and direct mail piece have been honored with the prestigious Silver Communicator Award and Award of Distinction. Rhythmlink's company logo received the Gold Communicator Award and Award of Excellence.

In previous years, Rhythmlink has been honored with several distinctions of excellence, including the International Davey Award and Re:Design contest, for rebranding initiatives and innovative design pieces. For more information on Rhythmlink's awards, its products and services, visit www.Rhythmlink.com.

The IAVA is a 500 plus member organization of leading professional from a variety of disciplines within the visual arts world. For additional information on IAVA or the Communicator Awards, visit their website www.communicatorawards.com.
