**RHYTHMLINK INTERNATIONAL HIRES
REGULATORY AFFAIRS SPECIALIST**

COLUMBIA, S.C. - June 9, 2009 - Rhythmink International, a company that designs, manufactures and distributes neurodiagnostic accessories and provides custom OEM and manufacturing solutions, recently hired Martin Barry to serve as its new Regulatory Affairs Specialist.

"As the company has grown and our product lines expanded, we've felt an increasing need for direction with our regulatory procedures," said Michael O'Leary, one of Rhythmink's owners and COO. "Now that Martin has joined the team, we feel that we'll be able to develop an efficient and streamlined system to manage these affairs."

Barry will assist in getting products to market faster by working closely with Rhythmink's Quality Systems Manager to ensure that all proper procedures and processes are being followed. More specifically, he will perform internal audits, work with global regulatory agencies to gain certification for product marketing and assess and maintain regulatory records.

"I am excited to address the challenges and opportunities ahead with the Rhythmink team," said Barry. "The company has a great culture, excellent leadership and staff, and I am very happy to be a part of the future of Rhythmink."
