COLUMBIA, S.C. - August, 2007 - Rhythmink International, a company that designs, manufactures and distributes neurodiagnostic accessories as well as provides custom OEM solutions and device contract manufacturing, recently received the Silver Award at the International Davey Awards competition.

The International Davey Awards are judged by the International Academy of Visual Arts, an organization of visual arts professionals dedicated to advancing traditional and interactive media. Rhythmink entered their abstract logo which features a lowercase, cursive "ri" and incorporates cup-like orbs at the beginning of the looped letters and a modern color scheme of chocolate brown and lime green. Rhythmink beat out 4,000 other entries from small companies and agencies all over the world to win the Silver Award.
