**RHYTHMLINK INTERNATIONAL'S  
OWNERS CHANGE TITLES**

COLUMBIA, S.C. - March 10, 2009 - Shawn Regan and Michael O'Leary, co-founders of Rhythmink International, have changed their titles. Formally referred to as owners and managing directors, Regan is now Rhythmink's Chief Executive Officer and O'Leary is Chief Operations Officer.

"As the company has grown and changed, our roles have evolved as well," said Regan.

"Right," said O'Leary, "It just made sense for us to change our titles to match our different responsibilities within the company."

Originally established in 2002, Rhythmink is a company that designs, manufactures and distributes neurodiagnostic accessories and provides custom OEM and manufacturing solutions. Regan is heavily involved in the company's sales, marketing and product development, and O'Leary's work is focused in operations and finance.
