Spotlight Shines on Rhythmlink International

COLUMBIA, S.C. - Rhythmlink International, LLC was recognized by the City of Columbia's Office of Business Opportunities at the City Council Meeting on Wednesday, July 28, 2010, as the Business Spotlight Program Honoree for the third quarter of 2010. Michael O'Leary, chief operating officer of Rhythmlink International, accepted the award on behalf of the company.

"This is a wonderful honor. Rhythmlink could not have become the company that it is without our dedicated employees and their hard work," said Mr. O'Leary.

Created to recognize and showcase local businesses, the Business Spotlight Program selects applicants on a variety of different criteria. Rhythmlink has been recognized for being a business in good standing with the Secretary of State's Office and the Better Business Bureau. Employing 26 employees at its office in the Columbia Industrial Park, Rhythmlink is an active community member, participating in multiple service initiatives such as the Adopt-A-Highway Program and Operation Santa Clause with the Carolina Children's Home. In August, Rhythmlink will also be hosting a blood drive with the help of the American Red Cross.
